NEW ENTRY FORM - ONE (two-sided) form CAN BE USED FOR BOTH SHOWS!!

We hope you like this newly designed entry form.

- Both a fill-able PDF and a regular PDF are on our website. Both can be printed. Save the fill-able form frequently. It can be partially completed, saved, and then completed at another time.
- Enter owner and trainer information once, horse and rider information once, list classes and fees for each show, and do signatures once.
- Stabling fees, and electric hookup fees are paid for the entire weekend and can be assigned to either day.
- Send separate checks for each show but **ONLY ONE** entry form per horse.

HINTS when entering multiple horses owned by the same person or being trained by the same person.

- Complete the trainer information first when the trainer has multiple horses.
- Save the file as a template.
- If an owner has more than one horse, complete the owner information once (along with the trainer information) and save a copy for each horse being shown that is owned by that person. Consider using the name of the horse as the name of the file for easy identification.
- Open the file saved by the name of the horse. Complete the horse information and rider information. Choose the classes to be entered and list them, along with the fee in the columns indicated.
- Complete the fee information for each show.
- All required signatures are on the back (second page) of the form. Remember, junior riders cannot sign; a parent or guardian or trainer must sign for junior riders/handlers. The horse's name should be put at the top of the second page, in case the pages become separated.
- Remember to save the file frequently if using the fill-able version.
- Print a copy to mail or bring to the show; print another copy for your records.

If you have any problems with the form, or suggestions for improving it, please get in touch with the show secretary.

This form may not work with tablets
